JESUS WAS THE WORD OF GOD

THE BIBLE IS NOT THE WORD OF GOD

The Jewish and Roman Orthodox Catholic and Christian Church (JROCCC) Roman Bible is **NOT THE WORD OF GOD**. It is a very misleading document that has been WRITTEN and REWRITTEN and then most of the original books were destroyed the process. Those authors who the Jewish and Roman Orthodox Catholic and Christian Church (JROCCC) claim wrote the books in the Roman Bibles are not their real names. They were illusive figures whose names we will never learn. The books were attributed to figures we find in the Bible stories to draw attention to them and to promote certain ideologies acceptable to the JROCCC. These Roman and Jewish Bible beliefs and doctrines have been used to control the masses and promote very questionable ideologies that are **NOT AT ALL RELIABLE**. We learn this once we spend a lot of time DOING OUR HOMEWORK comparing those texts with science, archeology, geology, myths and legends. I have been doing this now for decades.

WHO CREATED THE FALSE JROCCC RELIGIOUS MOVEMENT?

I know thy works, and tribulation, and poverty, (but thou art rich) and I know the blasphemy of them which say they are Judeans, and are not, but are the synagogue of Satan. (Revelation 2:9 KJV)

The Khazars converted to Rabbinic Judaism in the 8th century and have stolen the identity of the True Tribes of Jacob-Israel, the white race. The Khazars are imposters and are actully Edomite Jews according to their own writings. Approximately 94% of Jews today are Khazars. The word "Jew" was created a couple hundred of years ago and inserted into the Bible to steal the identity of the true Israelites, the white race. See this post for more info.

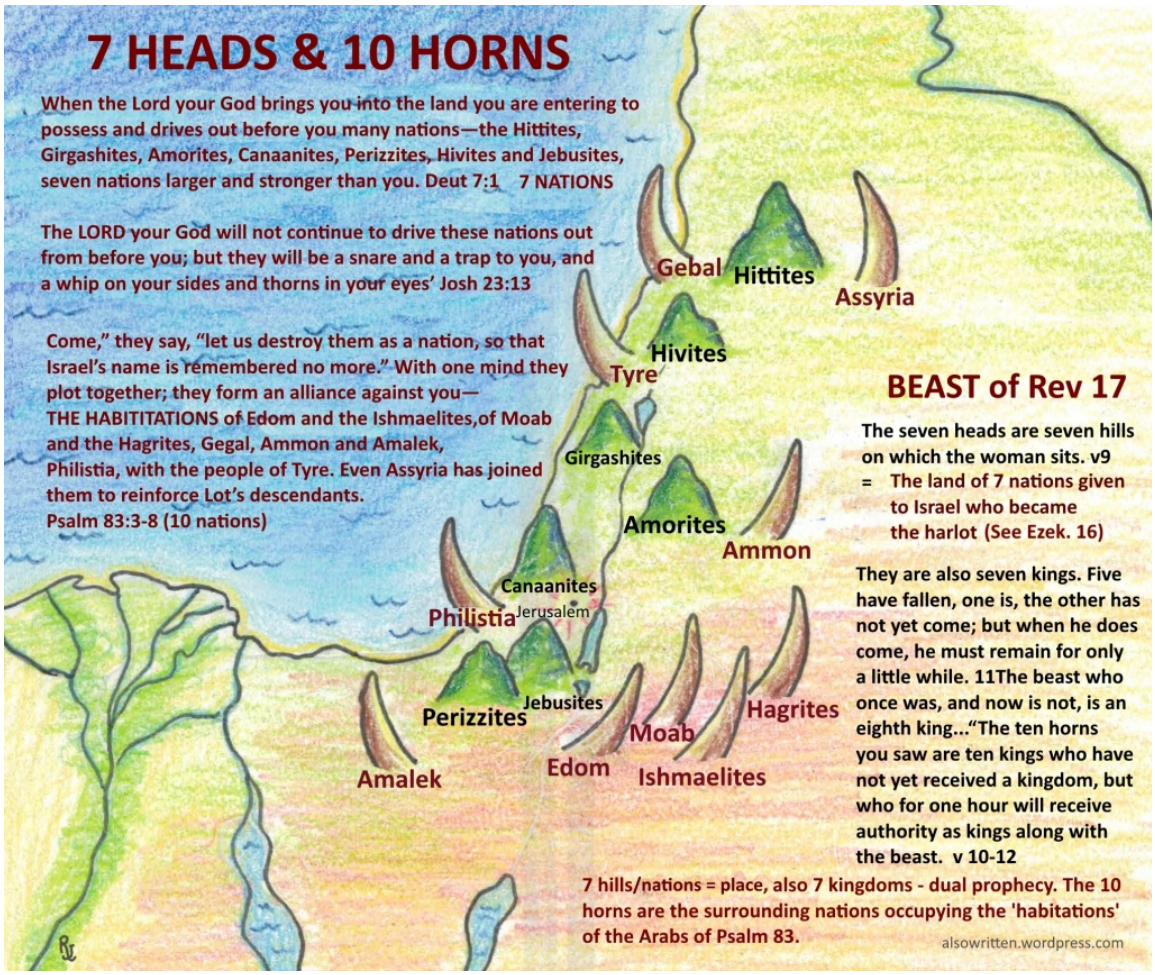
All of our present day western religious beliefs were based upon much earlier pagan, satanic myths and legends. Ancient beliefs were really a form of solar worship aka Astrolatry that you find in Genesis 1 where Our Heavenly Father put a road map in the sky in the form of constellations to guide us regarding the "Signs of the times." The meanings of those signs have been corrupted by the "Powers that be" who have reinterpreted their meanings. Generally speaking, stay away from astrology and the dark arts

and any groups that promote them their are not accurate. THEY ARE ALSO KNOWN AS EDOMITE BELIEFS.

Most Christians follow these reinterpreted beliefs today, which are pagan satanic beliefs that they think are the word of Our Heavenly Father when they are actually beliefs that came from the worship of alien's aka the gods of old. Jesus was/is the WORD of our Heavenly Father not the word of these other pagan satanic alien gods and their Nephilim descendents that the Jews and other hybrid tribes worshipped in the Middle and Far East. Bottom line we are being lied to.

The Roman Empire who decided to form the (JROCCC), was on it's last legs, so it reinvented itself as the Jewish and Roman Orthodox Catholic and Christian Church (JROCCC) in order to hide behind religion to continue their global tyranny as the Scarlet Woman that rides the 7 HEADED BEAST in End Time Prophecy.

THE JROCCC WAS CREATED BY THE 7 HEAD 10 HORNED PAGANS AND SATANISTS WHO HAVE DETROYED THE ORIGINAL BLOODLINE BELIEFS OF THE NAZARENES GALILEAN GENTILES IN ORDER TO PROMOTE THEIR ALIEN GOD WORSHIP IDEOLOGIES IN THE JROCCC BIBLES INSTEAD



It is scary to research this topic because the more you learn the more you realize that the JROCCC has been part of the 7 Headed 10 Horned BEAST SYSTEM that has PRODUCED what prophecy refers to as the "END TIME DELUSION OF MANKIND" today. We have all been taught beliefs and doctrines from a Christian Church that is about to be destroyed or her debauchery. "The Church will BURN soon according to End Time Prophecy. Jesus warned us about this false religion that was being produced in his time.

The JROCCC is the Scarlet Woman in prophecy that rides the 7 Headed Beast System.

WHAT ABOUT THE CREATION MYTHS IN THE BIBLE CAN WE TRUST THEM?

If you really STUDY biblical texts you will discover that the Roman and Christian Bibles refer to 3 different creation stories. The first on in Genesis 1 seems to be the ORIGINAL STORY. The story the Hebrew people promoted. There you will find a loving FATHER who along with Jesus CREATED EVERYTHING ORIGINALLY. However next you have the Jewish Creation Story where the Elohim (alien gods) recreated the earth after it had been destroyed. Finally in John 1 in the New Testament we have a story of how Jesus created everything in the beginning and that he was an avatar of Our Heavenly Father who was beamed down or projected on earth in a solid spiritual form from the light. He was not born in Bethlehem, which is another lie that I go into in my other articles. That is a long story that I can't cover here.

What Christians do not realize is that here were apparently two figures, even three figures blended into the storyline of Jesus in the Bible that we never knew about. The last one was Apollonius of Tyana

is an ancient Aramaic scroll that may be the source of the Gospel of Matthew. If authentic, it indicates an extraterrestrial origin for the Christian New Testament. the scroll was entrusted to Eduard Meier who has been in contact with Pleiadian ETs since childhood- it could become the most stunning find of our century. First translated into German by Meier and Isa Rashid then into English by B. L. Greene and J. H. Ziegler teaches a way of life that is logical, natural,and ultimately, liberating. Reading it can comfort the doubtful, and jolt the complacent into examining their own assumptions.

due to Christian influence or Christian thought?" (*Life of Christ*, II, 485).

Even if we assume that Jesus and His apostles borrowed from the rabbis all the expressions that occur both in the New Testament and in the Talmud, it does not prove anything. The Gospel of Jesus remains an altogether new thing, and the spiritual life that He awakened is still diametrically opposed, in many respects, to the religious life that the Talmud fosters.

BERNHARD PICK.

NEWARK, N. J.

Learning this will drive Christians bonkers, because they do not DO THEIR HOMEWORK, however we are learning today that the leader of the Jews that was crucified was **NOT** Jesus Yashua, it was apparently the Messiah Emmanuel, Jmmanuel, Immanuel, who was prophesied in the Old Testament to be born in Bethlehem to be the leader of the Jews. When he did not conform to the beliefs of the Jews they had him crucified. That is a long story that I go into in my other articles. To find out more Google "The Talmud of Immanuel, or the Talmud Messiah Emmanuel, Jmmanuel, Immanuel etc. Their is a lot of information coming out today just as prophecy said it would. Genesis 1:1

Genesis 1:1 is the first verse of the first chapter of the Book of Genesis in the Hebrew and Christian Bibles and the opening of the Genesis creation narrative.

"Metafora" is the Spanish and Portuguese word for metaphor. It is a figure of speech that directly compares two unlike things without using "like" or "as". This comparison is used to create a more vivid and impactful image in the reader's mind, helping them understand a concept or idea in a new way"

If we listen to what the Bible actually says about Jesus spiritual body and listen to eye witness accounts of Jesus as a spiritual being you will learn that he was not physical like we are, instead he took physical form much like the Nordic Aliens do. He came from the light, which is a metaphor for the 3rd heaven where Our Heavenly Father and Jesus call home.

THE OLD TESTAMENT IS A JEWISH DOCUMENT WRITTEN BY THE JEWISH AND HEBREW AUTHORS WHO WROTE ABOUT TWO VERY DIFFERENT CREATION STORIES

Who are the elect according to the Bible?

The Old Testament applies the term "elect" (Gk: ἐκλεκτος, Hebrew: בָּחִיר) to **the Israelites** in as far as they are called to be the chosen people, or people of God, or are faithful to their divine call.

AI Overview

Yes, the book of Genesis contains two distinct creation stories, found in chapters 1 and 2. While both narratives describe the creation of the world and humanity, they differ in their style, focus, and order of events. Genesis 1 presents a structured, ordered creation over six days, culminating in God's rest, with a focus on the cosmos. Genesis 2 focuses on the creation of Adam, the Garden of Eden, and the creation of Eve, with a more narrative, story-like style.

Genesis 1:

- **Focus:** A broad, cosmic overview of creation, emphasizing God's power and order.
- **Style:** Poetic and structured, using a pattern of six days of creation followed by a day of rest.
- **Order:** God creates the heavens and the earth, then fills them with light, the sky, land, sea, vegetation, celestial bodies, sea creatures, birds, land animals, and finally, humans (male and female).
- **Divine Name:** Uses the general term "God" (Elohim).
- **Overall Perspective:** God is presented as transcendent, speaking creation into being.

Genesis 2:

- **Focus:** More intimate and detailed, focusing on the creation of Adam and Eve, and their relationship with the environment.
- **Style:** Narrative, story-like, and more personal.
- **Order:** God creates Adam, then the Garden of Eden, then plants, then animals, and finally Eve from Adam's rib.
- **Divine Name:** Uses the name "Lord God" (YHWH Elohim).
- **Overall Perspective:** God is presented as more immanent, personally involved in shaping creation.

These differences have led to various interpretations, with some viewing them as complementary accounts, while others see them as conflicting narratives. Some scholars suggest that the two accounts may have different origins and were later combined into the book of Genesis.

JOHN IN THE VERY BEGINNING OF THE BOOK OF JOHN IN THE NEW TESTAMENT HAD HIS OWN VERSION OF THE CREATION STORY

"And now, O Father, glorify Me together with Yourself, with the glory which I had with You before the world (κὀσμον kosmon) was" (John 17:5).

"To the only God our Savior be glory, majesty, power and authority, that exists through Jesus Christ our Lord, who existed before all ages, now and forevermore! Amen" [1]

The alien human hybrid tribes, in the Middle and Far East, worshipped aliens as gods and believe that their alien gods would save and rescue them if they did what they were told to do by THEM. That is the OLD WINE that Jesus said he came to REPLACE.

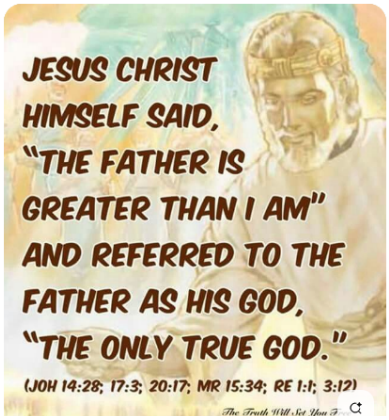
A JEW

ORIGINAL MAN

A JUDAHITE

"You only have I known of all the families of the earth:"

GENERALLY SPEAKING, WHO WERE APIRU NAZARENE GENTILE NAPHTALI GALILEAN JUDAHITE RACE OF PEOPLE (MITACONDRIAL MOTHER RACE) JESUS CREATED ORIGINALLY WHO HE REFERRED TO AS HIS PEOPLE. THEY WERE CERTAINLY NOT THE JEWS.



From The Times of Israel ▼

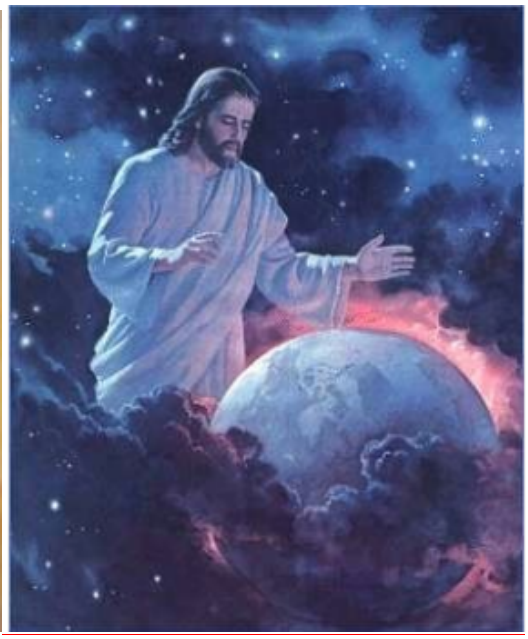
Blue-eyed, fair-skinned settlers inhabited the Levant some 6,500 years ago, according to an international interdisciplinary team of scientists. An article released Monday in the peer-reviewed journal Nature Communications solves the mystery of how Chalcolithic culture got to the Galilee: via population migration.

When they mapped the genomes of bones from 22 of the 600 individual skeletons discovered in a massive necropolis near Peki'in in the north of the country, the scientists found a genetic mix quite unlike that of previous and successive settlers of the region.

Hair: straight to curly often blond shades, but could be brown or red too.
Eyes: light (-mixed)
Skin: pale
Height: tall
Body build: ectomorph to mesomorph
Head: mesocephalic, high forehead
Nose: hyperleptorrhine
Face: narrow, prominent cheekbones
Though minorities among them could have been of other Northern European phenotypes. No population is 100% something. See.

Jesus on the other hand came to save and rescue **HIS PEOPLE**.

He came DOWN to teach the NEW WINE to his people (bloodline) who were essentially our Scandinavian Mitochondria mother tribes that lived in Northern Israel, Galilee etc., that were known as the NAZARENES, Gentiles, Apiru, Naphtali, Galileans or as the white tribes, etc. In Egypt the white tribes were described as having pale skin and pink cheeks.



John 1, found in the New Testament tells us that Jesus was the pre-existence MESSANGER for Our Heavenly Father who had the WORDS of KNOWLEDGE and WISDOM that he came to teach his tribe or bloodline tribes, in Northern Israel and Galilee, WHO WERE NOT JEWS BY BLOOD. This all seems to be telling us in symbolic language that Jesus was a messenger that was projected or beamed down to earth in the form of Jesus. He materialized in a human body form. He became the light and life of HIS PEOPLE." He came to MINGLE with and share the GOOD NEWS among his white people (the Gentiles) and to anyone else that would listen. HE WAS NOT A HUMAN BEING HE WAS A SPIRITUAL BEING who possessed amazing spiritual abilities and technologies that mankind does not posses.

- John 1:1:

  "In the beginning was the Word, and the Word was with God, and the Word was God." This verse establishes the divinity and eternal existence of Jesus Christ as the Word.

-

John 1:2-3:

"He was in the beginning with God. All things were made through him, and without him was not any thing made that was made." This highlights the role of Jesus as the creator of his people (bloodline) and his eternal connection to OUR HEAVENLY FATHER, who is the ONE AND ONLY GOD. Any other entity referred to as GOD in the Middle East and around the world is a PIOUS FRAUD.

- John 1:14:

"And the Word became flesh and dwelt among us, and we have seen his glory, glory as of the only Son from the Father, full of grace and truth."

Jesus was projected to earth in a solid SPIRITUAL body, not a human body per says. HE became OUR FATHERS avatar on earth.

If you look into who Jesus was described as in the Gospel of John, you will discover that Jesus was the WORD or information from the FATHER that Jesus came to teach to HIS TRIBE. "In the beginning was the Word" is the opening line of the Gospel of John in the Christian Bible. It refers to Jesus Christ, who is identified as the Word (Logos), that existed with God from the very beginning and is also a **reflection of God himself which tells us that the REAL GOD (OUR HEAVENLY FATHER) is a LOVING GOD who uses Jesus to pass on HIS WORDS to those of us on earth**. This verse in John also establishes Jesus' pre-existence with OUR HEAVENLY FATHER who was thought of as being divine before the creation of the world.

The claim that Jesus "beamed down from a UFO" is not a widely accepted religious or scholarly view, but rather a speculation found within fringe theories related to ancient astronauts or UFO religions. These theories propose that ancient texts, including the Bible, contain descriptions of phenomena that could be interpreted as encounters with extraterrestrial beings and their spacecraft, according to TheTorah.com and Long Hill Baptist Church, Trumbull, CT.

However, it is crucial to note that:

- **Religious texts typically don't explicitly mention UFOs:** Traditional religious interpretations generally view events described in the Bible as acts of God or divine interventions, not as actions of extraterrestrials.
- **Scholarly interpretations differ greatly:** Most religious scholars and historians do not support the interpretation of biblical passages as evidence for ancient alien encounters. While they acknowledge that these texts describe extraordinary phenomena, they generally view them through a lens of theological and historical context.

- **Alternative interpretations exist:** There are various alternative explanations for these phenomena, including:
  - **Metaphorical and Symbolic Interpretations:** Some scholars suggest these narratives are rich in symbolism and represent spiritual or theological truths rather than literal events involving advanced technology.
  - **Misinterpretations of Natural Phenomena:** Others propose that unusual natural phenomena could have been interpreted as divine or supernatural encounters by people of ancient times.
  - **UFO Religions:** These theories form the basis of some new religious movements, often called UFO religions or flying saucer cults, which combine elements of traditional religion, science fiction, and ufology.

In conclusion, while the notion of Jesus being an alien or descending from a UFO is present in some fringe theories and UFO religions, it is not a widely accepted or traditional understanding within mainstream religious or scholarly communities.

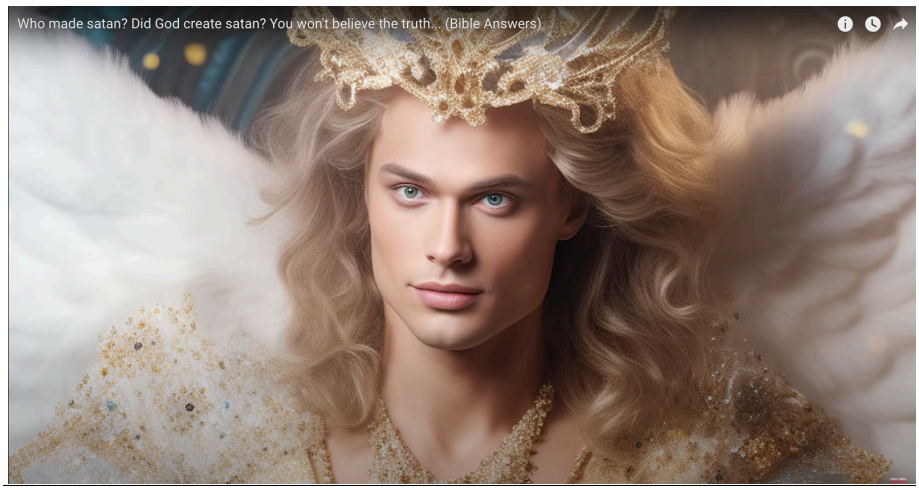
IS JESUS AN ALIEN? DID JESUS CREATE ALIENS? YES AND NO



In an attempt to answer, this we have to go back to the beginning to see what Jesus was doing when he created the world and the 1st and 2nd heaven.

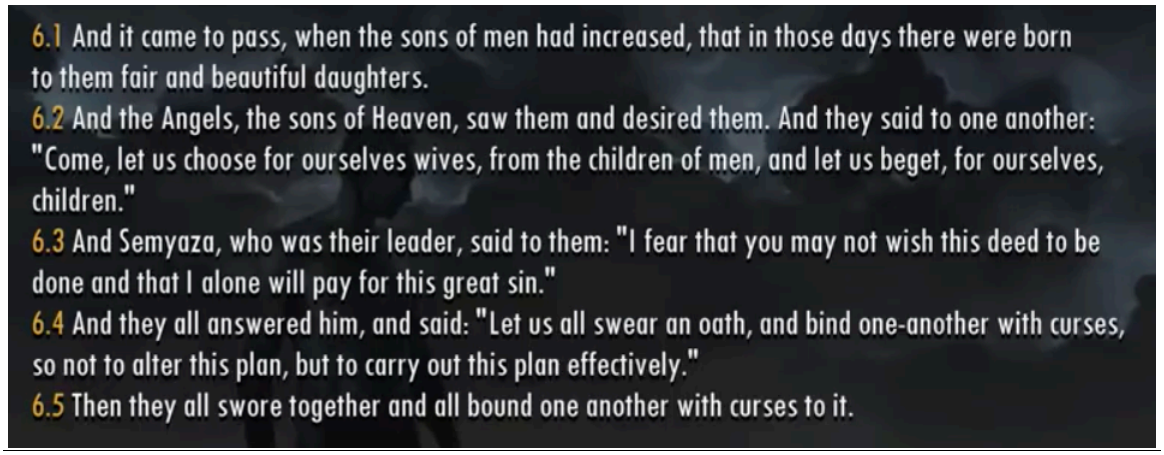
We also have to coordinate what science, archeology geology, legends and myth's also seem to say regarding the entities he **also** created who the Bible refers to as Angels (Nordic Aliens) and the alien Messengers of **"THE GODS"** etc.

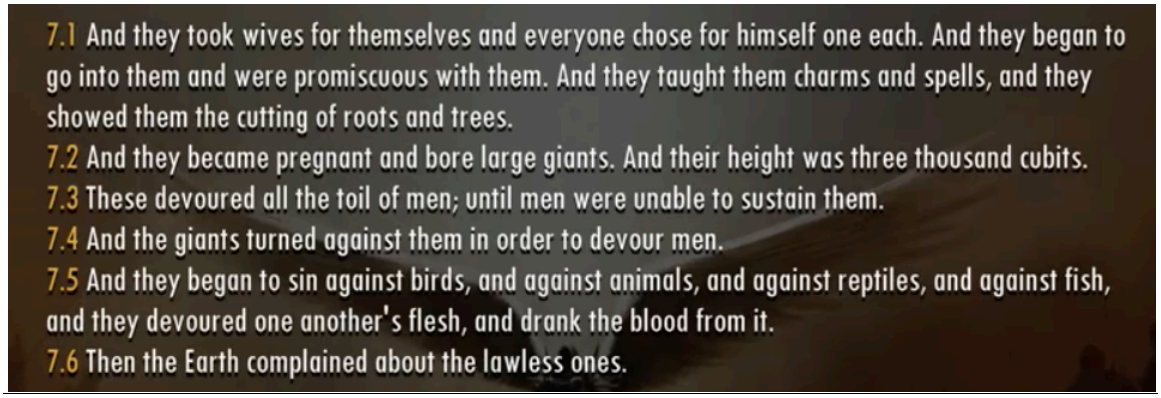
The earth is billions of years old which means that no one can go back that far to see if this all started with a BIG BANG or not. What we can do is look at what Jesus taught or what those who followed him taught.

We have to stay away from the Jewish and Roman Bible beliefs and JUST STICK WITH THE FACTS as they appear to be INSTEAD.

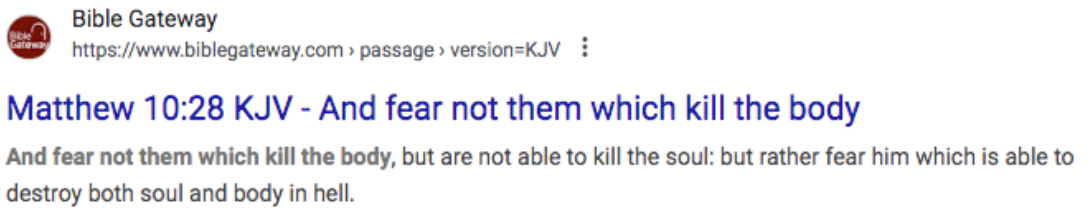
When you do this, what you will find is that Our Heavenly Father (GOD) and Jesus co-coordinated with each other to create the Earth and the 1st and 2nd heaven. They created everything on earth including his WATCHER Angels (GOOD GUYS) some of whom fell to become the EVIL FALLEN aliens/angel (BAD GUYS) people encounter today.

Genesis 1 the first creation story seems to tell us that Jesus and Our Heavenly Father created the world and placed his ORIGINAL PEOPLE or Mitochondrial bloodline on it as well as all ORIGINAL living creatures.

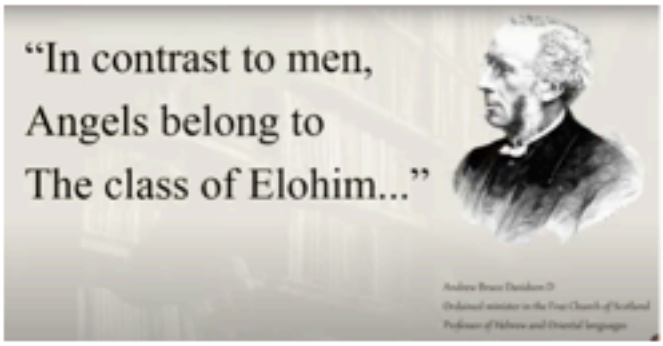




At some point SOME of these NORDIC WATCHER ANGELS committed a mutiny and became evil. They became the FALLEN WATCHERS who came to hate mankind and all living creatures. Their goal was to subvert the will of Jesus and Our Heavenly Father by corrupting everything that ws made by them and then ruling over the mess they created on earth, as they then planned to destroy our souls in the process. Some of our early human beings went along with them, which caused what is referred to as the FALL OF MANKIND.



Jesus warned us "do not be afraid of those who can kill the body be afraid of those who can kill your souls."



"In contrast to men,
Angels belong to
The class of Elohim..."

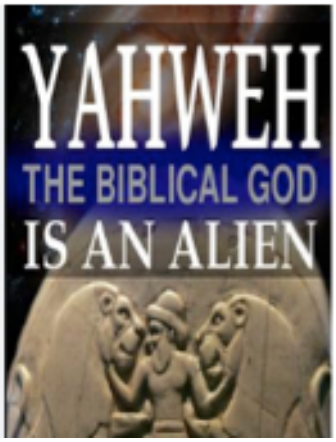
Mystery Of The Watchers And Book Of Enoch – Fallen Angels And Their Secret Knowledge

AncientPages.com

Ellen Lloyd - AncientPages.com - Little is known about the Watchers, the Fallen Angels who were the "sons of God". The subject of the Watchers is controversial, and scholars think the Watchers deliberately 'created' the hybrid giants to destroy God's creation as punishment for being cast out of heaven.

The Watchers And The Nephilim In The Bible

They are the FALLEN WATCHERS in the Sky Who Monitor Us



According to Genesis 6 the FALLEN WATCHERS landed on Mt. Hermon in Israel with the intent to use technologies like artificial insemination, cloning and the rape of Jesus ORIGINAL BLOODLINE to create their alien human hybrid races al over the world in order to kill and contaminate Jesus bloodline that once had the DIVINE RIGHT TO RULE THE WORLD. Their goal was to destroy and contaminate Jesus bloodline and to destroy the paradise we once lived in on earth WHICH THEY DID. This happened before and after the flood of Noah, which is a biblical reference to the melting of the last Ice Age period on earth between 12.500 - 9000 BC. Many cultures back then had their own Noah stories where people survived these flooded areas.

The WATCHERS remain loyal to Jesus today. They are not allowed to mingle with mankind. Do they visit us. Yes but it appears they rescue us from danger and can appear as human beings while they are here.

Do they travel in UFO's? I do not think so but they may in that we live in a crated reality that is not the 3rd heaven which is a above the 1snd 2nd world we can see. I think I have had more than one encounter with them myself but I cannot say that for sure. In my encounter, they just appeared out of no where. I suspect that they can just pop in.

WAS JESUS BEAMED DOWN FROM A UFO

While some popular interpretations and theories suggest a connection between biblical events and UFOs, including the idea of Jesus "beaming down from a UFO", this is not a mainstream or traditional theological view because the reality of it is to dangerous to be discuss by the JROCCC.

Here's why some people explore such interpretations and what the Bible actually says about this types of references:

1. Interpretations of biblical events

- Some proponents of the "ancient astronaut theory" or similar ideas interpret descriptions of celestial events or angelic encounters in the Bible as potentially being ancient encounters with advanced technology or extraterrestrial beings. I would agree with that.
-

-
-

- For example, Ezekiel's vision in the Old Testament, which describes "a wheel within a wheel" and luminous beings, has been interpreted by some as a potential description of a UFO or advanced spacecraft.
- Similarly, the Star of Bethlehem, the ascension of Jesus, and even his miracles have been interpreted by some as being connected to extraterrestrial intervention or technology.
- What this seems to imply is that Jesus, the WATCHERS and the FALLEN WATCHERS all use technology we are not familiar with yet that includes electromagnetic fields.

2. UFO religions

- There are new religious movements, often called UFO religions that incorporate beliefs about extraterrestrial beings and their interactions with humanity into their spiritual framework. I believe these religions were created or influenced by the FALLEN WATCHERS aka the BAD GUYS.

- These religions may see alien contact as a path to humanity's salvation or spiritual evolution, sometimes drawing parallels between ancient religious figures and extraterrestrial entities. Notice that this is also what Jesus taught only he was referring himself as the messenger who came down to teach and rescue humanity. He was not referring to the other alien gods that the alien human hybrid tribes worshipped. To me they fall into the category of the "dead in Christ" that will be abducted by aliens during the Tribulation and Great Tribulation periods.
-

  3. Traditional Christian perspective

- Traditional Christian theology emphasizes Jesus as the Son of God, born of the Virgin Mary yet as I said above these are two different individuals whose histories now appear to have been blended together in order to combine the life and teachings of Jesus in with a Jewish Messiah who came to teach pagan ideologies.
-
- The Bible uses symbolic language that refers to UFO's and aliens such as the gods who "Flit and Flew" in their "Chariots of Fire" and Whirling Wheels" that hovered in clouds watching what was going on below. We are not supposed to know that Biblical lore or Jewish lore was based upon the worship of aliens it is BEST KEPT SECRET.

  The statement "Jesus beamed down from a UFO" represents a particular interpretation of religious texts or artwork, particularly among individuals interested in ancient astronaut theories or certain alternative historical perspectives. LIKE IT OR NOT, those so called astronaut theories appear to be true. Christians are going to have to open their eyes and start to DO THEIR

HOMEWORK like the rest of us have done. We have two very different competing factions at odds in the Bible that we need to separate apart. They are the tribes who worship the WATCHERS (GOOD GUYS) and the tribes who worshipped the FALLEN WATCHERS (BAD GUYS).

John the Baptist is not depicted as a Christian in the Bible or historical accounts, though he is a significant figure in both Judaism and Christianity. He was a Jewish prophet who lived before and during the time of Jesus, preaching repentance and baptizing people in the Jordan River. While Christians revere him as the forerunner of Jesus, he was not a follower of Jesus in the sense of being part of his movement.

Some Renaissance paintings depicting biblical scenes, such as what is in the sky over the figure that they are implying is Jesus in "The Baptism of Christ" by Aert de Gelder (circa 1710 above, have been interpreted by some to identify UFO ideologies. Look at the unusual aerial object that looks just like UFO aka disk-shaped object in the sky, and then this dove emitting beams of light down on John the Baptist and Jesus during his baptism. My first question is why on earth would John the Baptist who was a Jew not a Christian need to baptize Jesus? It never made sense to me unless John was baptizing the Jewish Talmud Immanuel instead. The Jews hated Jesus.

Why would Our Heavenly Father use infra sound from the hovering UFO to declare that this man was his son in whom he was well pleased unless this account is NOT about Jesus Yashua

but about the Talmud Messiah Immanuel instead. If this account is true and if it is about the Talmud Messiah instead than this is at least the 2nd time a UFO was associated with him in the New Testament.

These interpretations suggest that ancient people witnessed phenomena that they attributed to divine intervention when it was actually an alien event. Today modern people view stories like this to unidentified flying objects or extraterrestrial visitations. I am fed up with how Jesus and the Jewish Talmud Jesus have been blended together in the New Testament. This is one of the reasons there are so many contradictions in the Bible. The JROCCC has lied to us about WHOSE WHO for over 2000 years.

It is important to note that traditional religious interpretations of such artwork emphasize the presence of divine manifestations, such as the Holy Spirit descending like a dove, according to the interpretation of Matthew 3:16. Some Reddit users on the https://www.reddit.com/r/AlternativeHistory/ website, that discusses this painting believe that the disk-shaped object truly represents a UFO. The concept of "beaming down" can be seen as an attempt to reconcile a modern understanding of advanced UFO technology that was beamed down to earth in these ancient religious narratives.

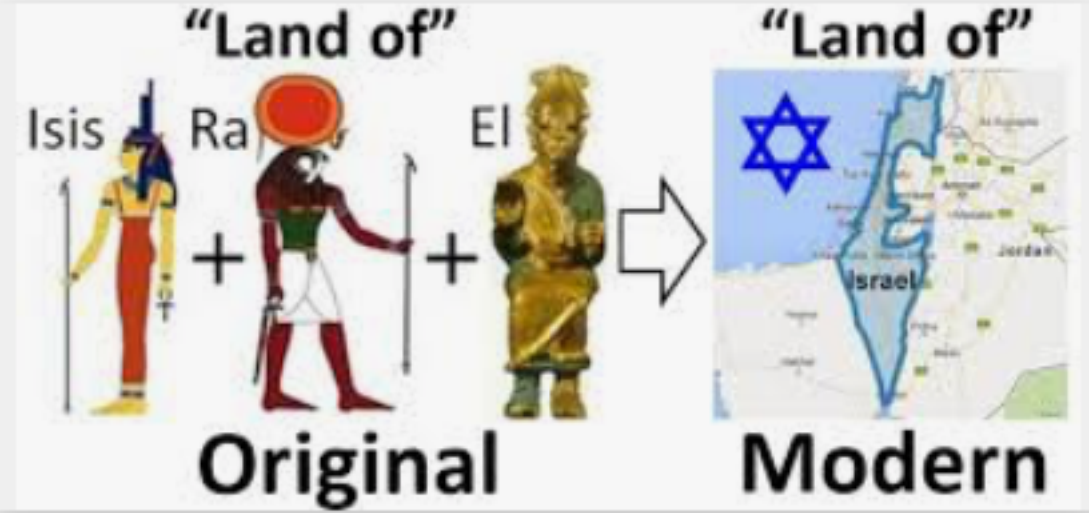
IN CONCLUSION:

Once you put your Bibles down or combine them with the massive information that we do have on subjects like this you will understand what is going on much better. Once you understand that the JROCCC and their Bibles are propaganda created by evil bloodlines to mislead you instead of enlighten you to the truth you will see much clearer.

I have no doubt that Jesus exists but my quest was to find out WHO HE REALLY WAS not what the JROCCC has been spewing about who he was in order to CONTROL THE NARRITIVE.

The JROCCC gave us a version of Jesus that was combined with data about other people who some thought were Jesus back then such as the Jewish Talmud Immanuel, Apollonius of Tyana etc., so that we would never realize who he really was or what he really taught

Jesus warned us about this newly forming pious fraud aka religion known as the JROCCC that would come to rule the world and then be destroyed today due to her debauchery.



Yes, Jesus explicitly warned against false religions and false prophets. In Matthew 7:15-23, Jesus tells his followers to "Beware of false prophets, who come to you in sheep's clothing but inwardly are ravenous wolves". He emphasizes that these individuals may appear harmless but their actions reveal their true, destructive nature. Jesus also criticizes the Pharisees, highlighting their satanic hypocrisy and focus on outward appearances attempting to promote their pagan beliefs

and the alien gods they worshipped. The Jews also worshipped an evil Elohim god referred to as Yahweh Ildabaoth the Demiurge YHWH. These ancient Israelite and Middle Eastern religions did not promote genuine faith and righteous living according to the beliefs that Jesus taught. They were the OLD WINE where Jesus came to teach the "NEW WINE."

Here is a more detailed look at Jesus' warnings:

- False Prophets:
-

Jesus uses the image of wolves in sheep's clothing to describe false teachings and prophets, emphasizing that their deceptive nature can lead people astray.

- Hypocrisy:
-

Once again, Jesus calls out the Pharisees for their hypocrisy, noting their tendency to worship a more dangerous god figure and in the process make a show of their religious observance. The Pharisees did not worship Yahweh Ildabaoth the Demiurge YHWH who the ordinary Jews worshipped. The entity they appear to have worshipped was the leader of the FALLEN WATCHERS who was actually the evil being known as Satan.

- Emphasis on True Religion:
-

While critical of false religions, Jesus also emphasizes the importance of his true religion, which involves worshiping of Our Heavenly Father in spirit and truth, with a focus on our inner transformation and connection to Our Heavenly Father, Jesus and the Holy Spirit that inspires us from with in.

- Consequences:

- Jesus warns that false teachers will face judgment for their actions because their teachings lead people away from the kingdom of heaven where our ORIGINAL souls came from and align with.

  Jesus' warned against following the teachings of false religions, including the JROCCC which was a Pagan, Satanic, Roman version of Christianity that was beginning to form in his day.

  Jesus warned us about ALIENS back then. He and the Apostle Paul referred to as "THE "EVIL POWERS AND PRINCIPALITIES OF THE AIR."
